

# Photoshop Superhero Assignment

In this assignment you are going to make your own superhero and put them in a unique location and situation. Assignment basics:

- Male heads on Male superheroes and Female heads on Female superheroes. – Do not use anyone in our school, this must be a celebrity or famous person.
- Put your superhero in a unique situation and location. For example:
  - Your hero: Superman with Lebron's face
  - Situation: fighting an alien
  - Location: In the middle of Las Vegas.
- Save every 15 minutes to your desktop

Steps to complete the project:

1. Take out the background and clothing, leave only the head and neck of the person you want to make a superhero
2. Find a picture of a Superhero (use a live action image, not a cartoon).
  - a. Use Google Images to find your own picture, it must be school appropriate
3. Merge the two pictures
4. Once you have combined the two pictures and are satisfied it looks good, save as a .psd file, so I can see what steps and layers you used. Save this as: SuperheroMashup.
5. Now, put the superhero mashup in a unique situation and location. For example, battling an alien in the middle of Las Vegas.
  - a. You would need a picture of the location (in its own layer)
  - b. The picture of the superhero you created (in its own layer)
  - c. You would need a picture of his nemesis (in its own layer)
  - d. Add some sort of text like SuperLeBron vs. OcotoAlien (3D, Textured Text, etc..)
6. Once you have your scene set, you would clean the picture up to make it look like everything belongs together using techniques from the Tutorials and Tools from the Toolbar.
  - a. You must use at least 6 techniques from the Tutorials:
    - i. Face Mashup, 3D Text, Blur, Comic Book Effect, Combing Pics, Mapping a Texture on an Image, Content Aware, Antique or Vintage the Photo, Faded Pixels, Alienize, Selective Coloring, Blend Textures, Image in Text, Metal Text, Overlap Text.
  - b. You must use at least 10 Tools from the Toolbar
  - c. You must use Liquify somewhere
  - d. You must use at least 2 adjustments from the Adjustment panel
  - e. You must use at least 1 type of filter somewhere on the photo
7. Save your Scene as a psd file and name it PhotoshopProjectFinal
8. In MS Word, You must use the Photoshop Tools Sheet to describe what you used and how you used them in your assignment.
9. Finally, Fill out the Photoshop Grade Rubric
10. Save the MS Word document (Document is attached, but download from blog to fill in)
11. Save all work to desktop
12. What you will upload to Google Drive When Finished
  - a. SuperheroMashup.psd (Daily Grade)
  - b. PhotoshopProject.psd (Test Grade – Use the attached Rubric to make sure you get full credit)
  - c. Photoshop Tool Sheet & Rubric (Daily Grade)

When did you use the Liquefy Tool

Where did you use it?	Briefly describe what you did?
<b>Example: When I created the Alien to battle LeBron</b>	<b>I took another player in the League and used the Liquefy tool to morph his head and eyes to mimic an alien head.</b>

Describe 2 Adjustments you used from the Adjustment Panel you used and describe what you did, if you used more than 10 Tools, chose the 10 you think look the best:

Adjustment Used:	Where did you use it?	Briefly describe what you did?
<b>Example: Color Balance</b>	<b>When I mashed up LeBron and Superman</b>	<b>I took used Color Balance to match Superman's skin tone to LeBron's</b>

What filter did you use?

Filter Used	Where did you use it?	Briefly describe what you did?
<b>Example: Sharpen</b>	<b>I used it on the Alien Picture</b>	<b>The Alien picture was a little blurry so I used the Sharpen Filter on the Alien Layer to clean up the picture to make it look clearer.</b>
